Used motor oil is accepted at Advance Auto Parts, Chester (546-2558); Matulonis Body Shop, Springfield (885-5000); & Spurr's Repair, Perkinsville (263-5459).

Call first to confirm. All of these businesses want the oil to be "**clean**" - no water, no antifreeze, no other fluids mixed with it.

Both oil-based and latex paint are accepted **year-round, for free**, by Bibens Home Center and Sherwin-Williams in Springfield. The paint cans must not be rusty or leaky.

Bring the rusty, leaky cans, if there is still paint in them, to the permanent HHW facility in Springfield.

There is also additional composting information on our website.

We plan to again offer in-person workshops when the COVID pandemic subsides.
