Unwanted medication

drop boxes are located at police departments in: Bellows Falls, Ludlow, Springfield, and Windsor—easy and safe.

Used motor oil is accepted at Adams Trucking and Excavating at 151 Saxtons River Road in Westminster (463-2213), and Matulonis Body Shop in Springfield (885-5000).

Call first to confirm. These businesses want the oil to be “**clean**” - no water, no antifreeze, no other fluids mixed with it.

Both oil-based and latex **paint** are accepted **year-round, for free**, by Bibens Home Center and Sherwin-Williams in Springfield. The paint cans must not be rusty or leaky.

If they still contain paint, bring the rusty, leaky cans, to the permanent HHW facility.

Recyclables and Trash

Contract with a hauler or take recycling, trash, and food scraps to the following facility—

There is also additional composting information on our website. We hope to again offer in-person workshops when the COVID-19 pandemic subsides.

As of July 1, 2020, food scraps were banned from the trash. Compost them in your backyard, bring them to the transfer station, or pay for pickup.
