drop boxes are located at police departments in: Bellows Falls, Ludlow, Springfield, and Windsor. Easy and safe

**Used motor oil** is accepted at Advance Auto Parts, Springfield (546-2558); Matulonis Body Shop, Springfield (885-5000); & Spurr's Repair, Perkinsville (263-5459).

Call first to confirm. All of these businesses want the oil to be "**clean**" - no water, no antifreeze, no other fluids mixed with it. Wal-Mart takes it, too.

Both oil-based and latex paint are accepted **year-round, for free**, by Bibens Home Center and Sherwin-Williams in Springfield. The paint cans must not be rusty or leaky.

If they still contain paint, bring rusty, leaky cans to the permanent HHW facility in Springfield.

# Recyclables and Trash

You can contract with a hauler, or take recycling, trash, and food scraps to the following facility—

Annual stickers are available for purchase for \$25 at the Springfield and Chester town offices. Punch cards are also available at the town offices and at participating area merchants. Contact the town offices or visit [www.springfieldvt.gov](http://www.springfieldvt.gov) for the latest information.

All kinds of batteries are accepted and recycled **for free** at the Transfer Station: AA, AAA, C, D, 9v, rechargeable, hearing aid, watch, and car batteries.

Fluorescent tubes (10/visit) and bulbs (unlimited number) have mercury in them so they need to be disposed of properly. The Transfer Station accepts them **for free**.

Televisions, computer monitors, printers, hard-drives, and peripherals are recycled **for free** at the Transfer Station.

Useable, saleable **clothing** is accepted at the SEVCA Good Buy Store at 23-25 Main Street in Springfield and at the Second Chance Shop at the Transfer Station. Ask at each location if they will take clean and dry linens, shoes, purses, belts, gloves, towels, sheets, and stuffed animals.

There is also additional composting information on our website.

We hope to offer in-person workshops when the COVID-19 pandemic subsides.
