

# 2022

SOUTHERN WINDSOR / WINDHAM COUNTIES  
SOLID WASTE MANAGEMENT DISTRICT

# West Windsor Recycles

## Household Hazardous Waste Collection

www.swwcswmd.org

802-674-9235

### No more 4-hour collections

The District is in the process of permitting a permanent, seasonal, household hazardous waste facility. It will be open mid- to late- May through September, by appointment only. When we get all of the permits and containers in place, we will advertise the days and hours that the facility is open. There will be a nominal charge—\$10 for up to 10 gallons/car.

#### Bring:

aerosols  
antifreeze  
automotive products  
gasoline  
hobby chemicals  
household cleaners  
kerosene  
mercury thermometers  
mercury thermostats  
paint  
paint cleaners  
pesticides  
pool chemicals

*Bring in a mercury thermometer—get a free digital thermometer.*

#### Do NOT Bring:

asbestos  
ammunition  
fireworks  
medical waste  
medicines  
radioactive material

\*\*\*

The Weathersfield Transfer Station takes:

- ◆ tires
- ◆ auto batteries
- ◆ household batteries
- ◆ computers
- ◆ fluorescent bulbs
- ◆ used motor oil

All wastes in 55-gallon drums—MUST call ahead

#### Unwanted medication

drop boxes are located at police departments in: Bellows Falls, Ludlow, Springfield, and Windsor. Easy and safe

**Used motor oil** is accepted at Advance Auto Parts (546-2558) and Matulonis Body Shop (885-5000) in Springfield.

Call first to confirm. These businesses want the oil to be “**clean**” - no water, no antifreeze, no other fluids mixed with it.

Both oil-based and latex **paint** are accepted **year-round, for free**, by Aubuchon Hardware in Windsor and Bibens Home Center and Sherwin-Williams in Springfield. The paint cans must not be rusty or leaky.

If they still contain paint, bring the rusty, leaky cans to the permanent HHW facility.

# Recyclables and Trash

You can contract with a hauler, or take recycling, trash, and food scraps to the following facility—

RECYCLING FACILITY	HOURS OF OPERATION	CONTACT	PHONE
Weathersfield Transfer Station and Recycling Center 5024 Route 106	Wednesday 12:00 pm—5:00 pm Saturday 7:00 am—4:00 pm Sunday 12:00 pm—4:00 pm	Tyler Waters	802-263-5651

West Windsor residents who use the Transfer Station must obtain and display a current vehicle sticker, which may be obtained at the West Windsor Town Office. Trash disposal is paid by a punch card system; recycling is free; food scraps are \$1/gallon. Punch cards may be purchased at the Sunoco Station in Ascutney, West Windsor Town Office, and Downers Corners Store in Perkinsville.

For more information, visit [www.weathersfieldvt.org](http://www.weathersfieldvt.org).

All kinds of batteries are accepted and recycled **for free** at the Transfer Station: AA, AAA, C, D, 9v, hearing aid, watch, and rechargeable batteries.

Fluorescent tubes and bulbs have mercury in them so they need to be disposed of properly. The Transfer Station accepts them **for free**.

Televisions, computer monitors, printers, hard-drives, and peripherals are recycled **for free** at the Transfer Station.

Useable, saleable **clothing** is accepted at the Salvation Army Store in West Lebanon, the SEVCA Good Buy stores in Springfield and Hartford, and LISTEN in White River Junction. Ask at each location if they will take clean and dry linens, shoes, purses, belts, gloves, towels, sheets, and stuffed animals.

## Backyard Composters for Sale

The District offers Soil Saver composters for sale every spring for **\$65**. The 100% recycled plastic composter is 28" wide x 28" deep x 32" high and has a 10-year manufacturer's guarantee.

We also sell Sure-Close food-scrap pails for \$5 each.

**To order**, call 674-9235 for an order form or download one from the District's website, [www.swwcswmd.org](http://www.swwcswmd.org).

## Backyard Composting Workshops

The District has a video about composting by our own Master Composter, Ham Gillett. Just go to the District website, [www.swwcswmd.org](http://www.swwcswmd.org) and scroll down on the home page until you see the link.

There is also additional composting information on our website.

We hope to offer in-person workshops when the COVID-19 pandemic subsides.

***As of July 1, 2020, food scraps were banned from the trash. Compost them in your backyard, bring them to the transfer station, or pay for pickup.***
